ABOUT US

Mishan Ecosafety Agency Limited is duly registered firm in Nairobi Kenya consisting of a team of professionals in Environmental and Construction Management. The company mainly carries out; Construction Management, Environmental Impact Assessment and Audits, Environmental Health Safety Risk Assessments and trainings, and Fire Audit as well as Social Impact Assessment of projects.

Our core business is to provide consultancy services in Environmental Issues for sustainable development and providing a clean and health environment. We work with NEMA, NCA and DOSHS to ensure that necessary requirements are fulfilled to warrant issue of certificates and necessary approvals on projects and premises.

Core Services:

- Construction and Construction Project Management.
- Environmental and Social Impact Assessments
- Biodiversity Assessments and Sustainability reporting
- Environmental Audits
- Effluent Discharge Assessments
- Environmental Health and Safety Services
- Management of Hazardous Solid wastes, i.e Asbestos materials
- Borehole Drilling Services.

We are legally registered as a private Limited Company under the Companies Act Cap 486 of the laws of Kenya.

We have undertaken over 500 projects in various sectors including Water, Health, Energy, Construction, Education, Trade, Transport, Urban Development and Industry among others in partnership with other experts.

COMPANY OVERVIEW

VISION

To be the preferred consultancy and training partner in Environmental matters to ensure clean, health environment and occupational safety on buildings, projects and workplaces. We work to be the reliable partner in farm management quality and compliance systems. We aim to offer our clients the most current, relevant and practical solutions at affordable rates.

MISSION

Our mission is to grow our clients' business by working with them in the training on Health and safety, issuance of NEMA, NCA and DOHSS and accreditation to internationally recognized environmental management techniques to instill customer confidence.

MOTTO

Raise Awareness on Environment

OUR CORE VALUES

INTEGRITY
